Harvesting Souls at Fairs, Festivals & Events in Florida-2010

Are you making the right choices? Would you & the folks in your church love to win souls to Jesus "hand over fist", "left & right"? **Your lay people can easily lead 100s to Jesus at Fairs, Festivals, church yard sales, etc.** We will help you get started by coaching you & your church at **no charge.** ~~Call Arnold @ 941-637-5896, Bob @ 941-505-1964 or Carl @ 863-993-0388.~~

This winter there will be **over 19 big County Fairs in Southern Florida, plus 100s or 1000s of smaller festivals & events.** Wouldn't it be wild if the Lord gave us 50, 100, 150 or more new believers for each church to teach about the wonderful ways of Jesus? The potential is there.

Godmobile Ministry USA is voluntary, no charge for training and coaching. We have been using the Salvation booklet "ARE YOU GOING TO HEAVEN? TWO QUESTION TEST REVEALS ANSWER" (cost \$.26 ea.) with great success (see **Amazing Results on reverse side**) from Christian Equippers International (1-800-662-0909) at Fairs & Festivals everywhere. **At 5 Fairs last winter in SW Florida 687 or more people received Jesus into their heart (avg. 137 per Fair). WOW!** At 24 Fairs, Festivals & Events last summer in Michigan 3068 or more people received Jesus into their heart (avg. 128 per event). WOW! again. At Fairs, the environment for speaking out about your product from within your booth is practically wide open. This opportunity to speak out so openly about your faith, with practically no inhibition, has been actually delightful and gave many of the lay people helping us "Holy Boldness" they had not known before, and for many of the churches an exhilarating boost to the whole congregation.

Will you & the folks in your church obey Jesus command by going outside your church walls to reach sinners as Jesus & the early church did in their communities? To encourage discipleship & mentoring, possibly, give away promo DVDs, cost \$.20 ea., about your church featuring 'spots' on all enthusiastic activities: Exciting Worship, Youth, Children, Parenting, etc. at Godmobile Outreaches. Jesus wants to **flood our churches with souls**, but it requires WORK. Start planning now. What's happening in your area this year?

(Let's Roll. Go! DO what Jesus Commanded you to DO!)
